

Garden Club Fall 2015

Dates 9/14 - 11/13/15

Time 2:40 - 4:30 PM

Cost \$150 per child

Garden Club is a fun mix of gardening, science, arts & crafts. Garden Club students are responsible for the upkeep of the school garden: watering, invasive plant/insect control, plant propagation and care.

Choose Mondays or Wednesdays

Open to all grades, K - 5.

A maximum of 10 students per class.

Checks payable to: Edward Samaniego

Garden Club has mixed K – 5 classes. We hold high expectations for each student: to bring their best attitude and a willingness to function within a community. Students serve as role models for one another by building relationships. It is our hope that their lives are emboldened through these
